

To Whom It May Concern:

**Subject:** Instrumentation installation and commissioning work for **Diamond Dye-Chem Ltd.** Ankleshwar Plant.

M/s. Prathit Automation Technologies is working with us for different Instrumentation Installation and commissioning projects. During the year 2006-2007 M/s Prathit Automation Technologies has successfully completed Project work at our Ankleshwar plant. Approximate value of contract is Rs.60, 00,000/-

We found the work carried out by M/s Prathit Automation Technologies is of good quality and delivered on time. The work force is trained on safety aspects for working in process plants. We are satisfied with their work and have no hesitation to recommend their name for instrumentation work.

Regards,
